Every year in America
we throw away **96 BILLION lbs** of food.

That's **263 MILLION lbs** a day.
11 MILLION lbs an hour.

3,000 LBS A SECOND.

Inspired by a curiosity about our country's careless habit of sending food straight to landfills, the multi award-winning documentary **DIVE!** follows filmmaker Jeremy Seifert and friends as they dumpster dive. This documentary is approximately 45 minutes long and is appropriate for all ages. Bring your friends and join us for a rare opportunity to view this compelling film.
