

***Don't miss any news from the church!
IPC needs your email address.***

Who? Members of the church

What? Email addresses— wherever you would like to receive messages from the church. You can give us multiple addresses from the same family (home, office, each family member, etc)

Why? Beginning Thursday, April 2, we will be emailing an expanded version of the weekly *Update* to our members. All members will still receive the printed copy in the mail, but members will have the option of receiving this weekly publication only by email and not having a copy mailed to them each week. ***Note:*** We will limit the emails we send to members. You will not be inundated with emails. These addresses will be in a confidential email database, and we will not share these addresses with any other organization.

How?

- Complete the reverse side of this form and place it in the offering plate or in the box labeled ***EMAIL*** at the receptionist's desk.
- Or add your email address beside your name in the Friendship Pad in the pews.
- Or email your email address to Marsha Harbin at ***mharbin@ipc-usa.org***.

NOTE: For those of you without email, don't worry. We'll continue to include these announcements and all information in printed form. The *Update* will still be mailed to members' homes.

Questions? Call Marsha Harbin 933-3715.
