

# ⊕ LIVING RIVER PROPERTY

Presbytery of Sheppards and Lapsley

## Directions From Western Alabama

Travel North on Interstate 20/59

At exit 97, proceed southwest for 3.0 miles

Turn Left onto Hwy. 5 and proceed South for 7.2 miles

DO NOT turn left toward the "Business District", but instead turn left onto Hwy 24 toward West Blocton.

After traveling East 7.5 miles, you come to a stop sign at the intersection with County Road 65. Veer left onto 65. Proceed North 6.6 miles. (65 changes names to "Marvel Road")

The old coal road that serves as the entry to the property is on the left just inside the Shelby County line.

If you see Shelby County Hwy 251 to the left, you have traveled 0.8 miles too far.

The "put-in" is about 2.5 miles down the old coal road. This road is heavily potholed...be careful.
